Dear Parents of Year 3 & 4 children,

Welcome to the start of the school year! As notified at the end of 2007, our Information Evenings and Parent/Teacher Interviews occur within the first few weeks of term, providing valuable communication opportunities between home and school. Please be sure to utilise your child’s student diary for any communications throughout the year.

Information Evening: Monday 18th February
‘Getting to Know Your Child’ Interviews: Monday 25th February

Children will this week bring home their stationery supplies. It would be appreciated if all items could be named and books covered, then returned to school by Monday 4th February please. Basic pens and pencils, together with their pencil case from home, should be at school each day. Also children have been asked to bring along their Art Smock and Library Bag by Monday 4th February if not already at school.

This week each child has brought home a number of important notices to cover local excursions, and a range of other organisational matters. Thanks for taking the time to complete and return these as soon as possible.

Each child is requested to please bring along a box of tissues for classroom use. These will be stored in the room for use by the class throughout the year. School hats are needed of course, if not already at school!! Please ensure all uniform items, especially hats and windcheaters are clearly named.

During Term One the children will all be involved in our Swimming Program commencing on Monday 11th February. Detailed notes will be issued in the near future.

Parents are also reminded that children are given the opportunity for a ‘healthy snack’ of a piece of fruit for after the lunch break. It is best if this is one of the ‘easier to eat’ favourite fruits for your child. Drink bottles containing water are also encouraged.

We look forward to a great 2008 with all of the Year 3 & 4 children.

Regards,

Sue La’Brooy, Colm Feeney, Laraine Clacher, Anne Davies and Scott Zachariassen.
