Dear Parents,

The staff at Jells Park Primary School truly value the wonderful support offered by parents to assist with the smooth functioning of class activities. This support greatly assists the smooth running of a range of classroom activities.

Each year we seek a volunteer parent to assist in the co-ordination of a range of activities for the class teacher. The role of Class Contact is by no means an onerous one. As Class Contact you are not expected to undertake all the tasks yourself rather it involves contacting parents from the class to enlist support with a range of tasks such as:

- making excursion badges
- helpers with special class activities
- washing glue pots, arranging displays, sorting equipment
- photocopying
- organising home reading books
- laminating and book covering
- assisting the class with special activities

You are welcome to discuss the role of Class Contact with your child’s teacher if you wish before volunteering your services.

At times the specialist teachers would also appreciate the support of a Class Contact. If you would like to be the Class Contact for Art, Music, Mandarin or Phys. Ed. please indicate this on the form below.

All the staff look forward to another successful year which will be enhanced by the highly valued support of our Class Contacts.

If you would be interested in assisting in this way, please return the slip below to your class teacher by Monday 11th February.

Bruce Cunningham
Assistant Principal
