Dear Parents,

To enhance our Integrated Studies unit “Moving Along” an incursion has been planned for all children in Prep on Friday 31st July.

This incursion is called ‘Toys in Motion’. Children will participate in a range of ‘hands on’ activities, demonstrating the many ways things can move and the forces behind them.

Please return the signed permission slip no later than Monday 27th July. The cost of the incursion will be taken out of the excursion levy.

Please note, we will not need parent helper’s for Literacy and Numeracy on this day.

Yours sincerely,

The Prep Team
