Dear Parents,

To support the classroom Unit of Study ‘Internal Affairs’, with a focus on the human body, an incursion for Grade 5 & 6 students has been planned for Tuesday 8th and Wednesday 9th September, 2009. The incursion involves a ‘Hands On Science’ workshop.

The students have been organised into groups, so the Eastlink Cup Footballers will not miss out on this incursion. Please return the signed permission slip to school no later than Monday 7th September.

The cost of this incursion is included as part of the excursion levy.

Yours sincerely,

Melissa McLeod, Kevin Oakey, Sue Ward & Scott Zachariassen
