YEAR 3-6 USB AGREEMENT 2011

Dear Parents,

Over the coming days all Year 3 to 6 students will be receiving a USB (otherwise known as a thumb or pocket drive). We believe this should greatly assist their ability to transport data to and from school and utilise the technology that is available at JPPS. The school is providing the USB for the students out of the student requisites parent contributions. (Please ensure that this contribution is paid as soon as possible) At the end of the year, the USB will become the property of the student.

All USB’s will be coded and the contents of them will be regularly checked to ensure that they are being used appropriately. It is expected that all USB’s come to school every day. The USB’s come with a two year warranty and therefore any issues with their functions will be followed through by JPPS. If a student loses their USB they will need to replace it. This can be done by purchasing the same model from the school at a cost of $15.

Please sign the form below to acknowledge that you are aware of the use of this product. Please note, that no students will be receiving their USB prior to JPPS receiving this form.

JELLS PARK PRIMARY SCHOOL USB AGREEMENT 2011

Please complete and return to the Classroom Teacher by Friday 11 February 2011

Student Name: ____________________________ Class: ___________

I am aware that the USB that my child is receiving is to be used for educational purposes only. I understand that any misuse will result in the USB being confiscated and all files being deleted. Depending on the severity of the incident/s, further consequences (including the banning of the student from all ICT) may need to be implemented. At the end of the year the student will be given the USB to keep, however, until then they are responsible for bringing the USB to school every day and if they lose the USB, they are responsible for purchasing a new one.
