LOCAL EXCURSIONS

Dear Parents,

Jells Park Primary School is part of the local community and consequently teachers are encouraged to walk with their children to visit places of interest, use local sporting facilities or just to enjoy learning about the local community.

It is necessary to have your permission to take children on such excursions. To take advantage of special opportunities visiting the local community may offer the class program, we ask for a blanket permission for all local, walking excursions. Typically these would involve a walk to Jells Park, a game on the grassed area opposite the school or a walk around local streets. Please note that these excursions will always be undertaken with a designated Teacher in Charge and with an appropriate level of staff supervision.

A permission slip is included below and we would appreciate its return by Friday 11 February 2011. If you have any queries, please do not hesitate to contact me.
