Dear Parents,

To further support the classroom Unit of Study on ‘Life Goes Around’ a Butterfly Adventures incursion is planned for **Wednesday 21st April**. At the incursion, students will be able to gain a deeper understanding of the life cycle of the butterfly as well as having an opportunity to view live butterflies in a gazebo.

As part of the incursion, Butterfly Adventures will provide each double-classroom with a kit containing some chrysalis for the students to watch and learn about the butterfly life cycle over a two week period.

The cost of this incursion is taken from the Excursion Levy, so please ensure that this levy is paid promptly.

Please return the signed permission slip to school **no later than** Friday 16th April.

Yours sincerely,

The Level 2 team.
