Dear Parents,  

During the next two weeks all students in Years Three to Six will be undertaking the Epilepsy Foundation of Australia’s Trivia Challenge. This is the Epilepsy Foundation of Australia’s major fund raising event of the year and we are asking each student to make a **gold coin donation** towards this worthy cause. The donation will be asked for as part of an **out of uniform day for all students** on Wednesday the **26th of May** for the whole school.

Students in year’s three to six will watch a brief DVD outlining what Epilepsy is and how we can help. They will then complete a general knowledge trivia quiz. The top four performers in each year level will go on to compete as a team in the on-line semi-finals in July. If successful here they will progress to the Grand Finals held at Monash University in October.

Thankyou for your support,

Josef Burke-Smith  
Epilepsy Trivia Challenge Co-ordinator
