

## Community Engagement at Jells Park PS

### School Assembly:

Parents are welcome to attend our weekly whole school assembly run on a Monday afternoon at 3.00pm. Throughout the year each class has an opportunity to run assembly and present or perform on a chosen topic.

### New Families Barbeque (February):

Families of all new students are invited to a BBQ early in the year to meet and greet other families and get to know other students and staff.

### Open Night (May):

Families are welcomed into the classrooms as an opportunity to see how the school operates, view the hard work students have been doing and to celebrate their learning.

### Grandparents and Special Friends Afternoon (May):

A fun afternoon where grandparents and/or special friends join students in the classroom and partake in a fun and creative activity.

### Book Week (August):

A major feature of Book Week is a fun dress up day where students and teachers dress up as their favourite book character. Students are involved in a whole school parade. The best dressed students are awarded with prizes.

### Parent Helpers:

All F-2 parents have the opportunity to volunteer in the classroom to assist students in Literacy and Numeracy rotations. Assistance with Foundation PMP is also vital for this program to run.

### Concert (December):

The annual school concert is a musical performance where every student participates on stage at Caulfield Grammar Performance Hall. Each concert has a theme and each year level tells part of a story through song and dance. This is the highlight of the year for the entire school community!!

### Art Show (bi-annual):

A great community night that showcases our students' artistic talents, including an exciting auction with the opportunity to bid on some collaborative class pieces.

### Performance Showcase (bi-annual):

A dazzling display of some of our most talented students, showcasing a variety of performing arts. This night celebrates students who have dedicated their time to in-school programs such as Wakakirri, Schoolaerobics and choir, as well as students who participate in external performance programs.

### Foundation 100 Days:

A very special day for the foundation students to celebrate completing their first 100 days of school. On this day foundation students spend time with their Level 6 buddies and explore the number 100 through different activities. Parents are invited to watch the 100 Days dress up parade, a highlight for most students.

### Inquiry Presentations:

Throughout the year parents may be invited to view student project presentations and exhibitions. Examples of this have included the Travel Expo, Level 6 Egg Drop, Dinosaur Day and a Family Heirloom Museum.
