## **2024 Level 6 Environment Captains Moonraker Boat Snorkel - Thursday 14 March**

Dear parents and carers,

Our Level 6 Environment Captains will be participating in the award winning 'i Sea i Care' Ambassador School Program. This exciting opportunity has been developed by the Dolphin Research Institute, to provide young leaders with real and relevant environmental experiences, that enrich the ambassadors and their school community. The program is designed for ambassadors to participate in one workshop per term and bring their learning back to the school, to educate the community to be more sustainable in its daily life. It is an exciting opportunity for our captains and an investment in our future. For more information, please visit [ISIC | Dolphin Research](#)

Our Term 1 workshop is a Moonraker Dolphin swim and snorkel departing from Sorrento Pier on Thursday 14 March. Moonraker have custom designed purpose-built tour vessels maintaining world's best practices in safety and environmental impact. Our students will learn first-hand about our marine environment, how much fun it can be to passively interact with wildlife such as dolphins and seals, and the actions we can take to help protect our precious marine creatures. For more information, please visit <https://www.moonrakerdolphinswims.com.au/>

Students are expected to wear full school uniform, including a hat and bring personal asthma medication. They are required to bring a backpack with bathers, towel, sunscreen, extra warm clothes (windproof jacket, jumper, beanie) to put on between swims and a plastic bag for wet bathers. They may bring \$10 to purchase snacks on the boat.

Students will depart school at 9:45am and return to school by 3:30pm. Teacher in charge will be Jared Meredith, who will be transporting students by private vehicle and also participating in the snorkel experience.

The program is subsidised through the school's Sustainability Program.

By providing permission for this event, you are agreeing to all details outlined in this letter.

### **Permission via Sentral**

Permission to be provided via the Sentral app or portal by **Thursday 7 March**.

Yours sincerely,  
*Jared Meredith*  
*Sustainability Coordinator*
