Guidelines

The school community's decision was based on the following guidelines regarding the benefits derived from the wearing of school uniform by all students:

- The identification of the school uniform maintains the high public and community regard for the school and its students.
- A compulsory uniform assists in the elimination of peer group pressure in wearing less appropriate clothing reduces competition amongst students and removes pressure on families to provide "fashionable" and/or expensive items for daily wear.
- The wearing of a school uniform prepares students for the expectations and uniform policies of secondary schools to which Jells Park students will attend in future years.
