Level 5 Science Discovery Dome Incursion Thursday 21 March

Dear Parents,

To enhance the classroom unit of study on 'Our Place in Space' an incursion is planned for Level 5 on Thursday 21 March. Starlab will visit us with their Science Discovery Dome, further enhancing our understanding and knowledge of Earth and Space in an immersive mobile planetarium. During the incursion students will be engaged using a variety of teaching tools: full dome digital projections (modelling, video clips, animations), and/or full dome movies.

More information on the Dome can be found here: <https://www.sciencediscoverydome.com.au/>.

The cost of this incursion is \$10.20.

Permission to be completed online with Qkr

Please complete the details on Qkr and finalise the payment to submit the form by **Thursday 14 March 2019**.

Yours sincerely,

Level 5 Staff
Michelle Beagley, Tania Maisey, Robbie Small & Carla Wyllie
