Level 2 Term 2 Incursion

Dear Parents,

To enhance the classroom unit of study on 'Chemical Science', an incursion is planned for Level 2 in Term 2:

- On Tuesday 7 May 2019, at school, we will be participating in / learning about mixing matter – investigating properties of materials by separating mixtures and combining different materials to find out if new substances are created.

Further information can be obtained from the following website.
<https://www.swinburne.edu.au/business-partnerships/community-schools/engaging-schools/stem-enrichment/primesci/school-programs/primary-school-incursions/>

The cost for this incursion is \$10.00.

Permission to be completed online with Qkr

Please complete the details on Qkr and finalise the payment to submit the form by **Tuesday 30 April.**

Yours sincerely,
Level 2

Stephen Coughlan, Melissa McLeod, Annalise Henderson, Denise Toner
