## **Level 1 Professor Bunsen – Light and Sound Incursion 4 June 2019**

Dear Parents,

To enhance the classroom unit of study on 'Light and Sound' an incursion is planned for Level 1 on 4 June 2019.

Professor Bunsen will give us an interactive demonstration in which we explore the properties of light and sound. This engaging incursion will enhance your child's understanding of the topic and allow them to more deeply explore the subject and science in general. The incursion will take place in the GP Room.

**The cost of this activity is \$14.25.**

### **Permission to be completed online with Qkr**

Please complete the details on Qkr and finalise the payment to submit the form by **28 May 2019**.

Yours sincerely,

Level 1 Staff

Tristan Kalogeropoulos, Rebecca Wroe, Kaitlin Iacovangelo and Denise Owen
