19 February 2019

Life Education Van 12 – 21 March 2019

Dear Parents,

In March, Life Education will be visiting our school and conducting sessions with all year levels.

The Life Education mobile learning centres provide a unique learning environment and their trained educators use an innovative teaching and learning approach to engage students. Specially trained educators present vital health and safety messaging through tactile and multisensory activities. Each session is designed to intrigue and excite children of all ages, which captures their imagination and has a lasting impact! Joined by Life Education's loveable mascot Healthy Harold their educators bring to life lessons that empower children to make safer and healthier choices, now and in the future.

It is expected that all students participate in the program which supports the curriculum for each year level. Sessions will be tailored to suit each age group.

The \$10 cost of this program per student was included on Qkr under Parent Contributions for 2019. If you have already paid for the program via the contributions, thank you. If you are unsure whether you have paid for the program, please check your receipts in Qkr.

Yours sincerely,
Kellie Stewart
Assistant Principal

Payment to be completed online with Qkr

Please finalise the payment on Qkr by **27 February 2019**. This activity can be found under the Contributions tab on the payments page in Qkr.
