Dear Parents,

PLAYGROUND SUPERVISION

Safety for all of our students remains paramount at Jells Park Primary School. Caring for students in the playground is a key factor in ensuring their health and well-being. We provide our students with a happy and safe environment at all times.

It has come to our attention that a number of students are regularly arriving at school early and are being collected late. The school grounds are supervised from 8.40-8.55am before school and 3.30-3.45pm after school.

I would like to inform parents of the changes to our "Playground Supervision Policy" that was ratified at School Council this week. Students who arrive at school early will be collected by available staff and taken to OSHClub. Students who are still at school at 3.45pm will be collected by yard duty staff and taken to the school office. Office staff will contact parents and if pick-up arrangements cannot be confirmed by 4.00pm then your child(ren) will be taken to OSHClub. Parents will be billed by OSHClub for each occasion.

No child should be on school grounds unsupervised before 8.40am or after 3.45pm unless part of an organised and supervised school activity. The "Playground Supervision Policy" can be found on our website under Annual Report and Policies.

If you would like to discuss your individual situation further please contact me directly.

Yours sincerely

Kevin Oakey
Acting Principal
